### **I. Background**

1. On May 3, 2017, the Oversight Board commenced a title III case for the Commonwealth of Puerto Rico by filing a voluntary petition for relief pursuant to section 304 (a) of PROMESA (the “Commonwealth Title III Case”). Thereafter, the Oversight Board commenced a title III case for each of COFINA, the Employees Retirement System of the Government of the Commonwealth of Puerto Rico (“ERS Title III Case”), the Puerto Rico Highways and Transportation Authority (“HTA Title III Case”), and the Puerto Rico Electric Power Authority (“PREPA Title III Case”) (all such cases, together with the Commonwealth Title III Case, the “Title III Cases”).<sup>2</sup> By orders dated June 29, 2017 [Docket No. 537] and October 6, 2017 [Docket No. 1417], the court approved the joint administration of the Title III Cases.

On June 6, 2018, the court entered the *Second Amended Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Docket No. 3269] (the “Interim Compensation Order”).

---

<sup>2</sup> Unless otherwise indicated, references to docket numbers shall be to the docket of the Commonwealth Title III Case.

3. On January 20, 2022, President Joseph R. Biden Jr. signed PRRADA into law. PRRADA sets forth disclosure requirements for professional persons seeking compensation pursuant to sections 316 and 317 of PROMESA after PRRADA's enactment.

4. Pursuant to PRRADA section 2(c), on February 22, 2022, the Oversight Board filed a motion seeking approval of a proposed list of material parties in interest (the "MIP List"). [Docket No. 20194.] On March 29, 2022, pursuant to the Court's *Order Regarding Proposed List of Material Interested Parties Pursuant to the Puerto Rico Recovery Accuracy In Disclosure Act* [Docket No. 20419], the Oversight Board filed an amended MIP List. [Docket No. 20458].

5. On March 30, 2022, the Court entered an order (the "March 30 Order") approving the amended MIP List and directing professionals to file a verified statement conforming to the disclosure requirements of Rule 2014(a) of the Federal Rules of Bankruptcy Procedure setting forth the professional's connections to the parties on the MIP List in accordance with PRRADA § 2(b)(1). #### **IV. The PJT Team**

11. The investment banking services set forth above were performed primarily by Steven Zelin, Partner; William Evarts; Managing Director; Ashim Midha, Associate; Lauren Weetman, Analyst; Elina Ma, Analyst; and other PJT professionals as needed.

#### **V. PJT's Request for Compensation and Reimbursement of Out-of-Pocket Expenses**

12. For the Tenth Interim Period, PJT seeks (a) allowance of Monthly Fees in the amount of \$5,000,000.00, and (b) the reimbursement of out-of-pocket expenses incurred in the amount of \$2,153.71. Although every effort has been made to include all expenses incurred during the Tenth Interim Period, some expenses may not be included in this Tenth Interim Fee Application due to delays resulting from the accounting and processing of such expenses. Accordingly, PJT reserves the right to make further application to the Court for allowance of such expenses incurred during the Tenth Interim Period but not included herein.

13. Invoices detailing the fees earned by PJT during the Tenth Interim Period are attached hereto as Appendix A. A summary of all fees earned during the Tenth Interim Period is outlined below:

<b>Tenth Interim Period</b>	<b>Monthly Fees</b>	<b>Government Contribution Fee</b>	<b>Withholding Taxes</b>	<b>Out-of-Pocket Expenses</b>	<b>Total</b>

14. The amount of fees sought in this Tenth Interim Fee Application and PJT's compensation practices are consistent with market practices both in and out of a bankruptcy context. PJT has never billed its clients based on the number of hours expended by its professionals. Accordingly, PJT does not have hourly rates for its professionals and PJT's professionals generally do not maintain detailed time records of the work performed for its clients. PJT has, however, maintained contemporaneous time records in one-half hour

increments. Time records with respect to the 1,468.5 hours expended by PJT professionals in providing investment banking services to the Oversight Board during the Tenth Interim Period are provided in Appendix B.

15. A summary of the total amount of hours expended by PJT professionals during the Tenth Interim Period is provided below:

16. Out-of-pocket expenses incurred by PJT are charged to a client if out-of-pocket expenses are incurred for the client or are otherwise necessary in connection with services rendered for such particular client. PJT does not factor general overhead expenses into any disbursements charged to its clients in connection with chapter 11 cases. PJT has followed its general internal policies with respect to out-of-pocket expenses billed as set forth below, with any exceptions specifically explained.

- (a) All cross-country airfare charges are based upon coach class rates;
- (b) With respect to local travel, PJT's general policy enables employees to travel by taxi or, in certain circumstances, private car service to and from meetings while rendering services to a client on a client related matter, for which the client is charged. Further, and primarily for safety reasons, employees are permitted to charge to a client the cost of transportation home if an employee is required to work past 9:00 p.m., and to charge a client the cost of transportation for work on weekends and holidays on client-specific matters.
- (c) PJT's general policy permits its professionals to charge in-office dinner meals 3 hours beyond their regularly scheduled workday if an employee is required to provide services to the client during such dinnertime, and to charge in-office meals on the weekend if an employee is required to provide services to a client on the weekend.
- (d) The External Research category of expenses includes charges from outside computer/electronic service companies that supply, for a fee, research and/or financial documents to PJT. The services provided by these companies primarily

consist of the retrieval of financial documents from regulatory agencies and/or the retrieval of research that would not otherwise be available to PJT. The Internal Research category of expenses are the charges for time spent by PJT research staff in operating the computer/electronic terminals related to these computer/electronic service companies.

- (e) The Publishing Services category of expenses includes charges for the production of text-based publications such as research reports and presentations, and printing and binding services.

## **VI. Requested Relief**

**WHEREFORE**, pursuant to Sections 316 and 317 of PROMESA, the Interim Compensation Order and the Engagement Agreement, PJT respectfully requests that the Court:

- (a) allow (i) PJT's Monthly Fees in the amount of \$5,000,000.00, and (ii) the reimbursement of PJT's out-of-pocket expenses in the amount of \$2,153.71 in respect of the Tenth Interim Period;
- (b) authorize and direct the Debtors to pay PJT's allowed Monthly Fees that remain unpaid, including all holdbacks, earned or incurred during the Tenth Interim Period;

and

- (c) grant such other and further relief as this Court deems just and proper.
